COUNTY CAMP 2027

7th – 13th AUGUST 2027 – NIDDERDALE SHOWGROUND

The NYW County Camp 2027 theme is
'Elements; Wind, Earth, Fire & Water'.

Dear Unit Leader,

The County Outdoor team are excited to bring you the details of our next Count Camp 'ELEMENTS CAMP 2027'. We have got a packed programme for all age ranges available with several new activities; we have taken on board the feedback from our last event and are working towards delivering on those changes at our next.

Key Details for Leaders:
> You do not need a camp license to attend as there will be enough leaders with licenses to cover all the participants.
> Lone Guides – We don't have capacity to include lone guides; however, other units may have capacity to accommodate them within their unit. Please get in touch and our outdoor team can help arrange this.
> REN – Each unit attending will require a REN submitted to their commissioner. County will provide an RA for the event and a programme, you will require an RA for all aspects you're responsible for.
> Home Contact – You will require a home contact for your group; the name of this person will need to be shared with the outdoor team prior to the event, details to follow.
